

## The Wonderful World of Water Day Camp

Offered by Pennsylvania American Water,  
the Pennsylvania Resources Council (PRC) and  
the Regional Environmental Education Center

**August 11-12 – Free-of-Charge**

Two fun-filled days of environmental learning for  
young residents, **ages 7-11**, of the South Hills area.

Day campers will:

- Explore watershed basics
- Learn how activity on the land affects the quality of water in rivers and streams
- Learn what we can do to help protect and preserve our watersheds
- Hike the park's nature trails
- Conduct water experiments
- Make related crafts

The **Regional Environmental Education Center (REEC)**  
Upper St. Clair at the beautiful Boyce Mayview Park

Daily from 9:00 AM - 3:00 PM

For more information and registration materials please  
contact Nancy at **412-431-4449, ext. 247** or
